PROJECTS

BLOG

Sustainable Knowledge (sustainableknowledge.co.uk)

- Co-founder, web designer, developer and writer.
- The mission of this site is to create a hub for knowledge enthusiasts in which they can explore and share disruptive concepts, ideas and opinions which concern our community.

APP DEVELOPMENT

Development of App for San Carlos Clinical Hospital

- In the context of my bachelor's thesis I developed an app using web technologies for the San Carlos Clinical Hospital in Madrid
- The app facilitates the request of services and check the status of such requests, fill out surveys and report any problem.
- The database was designed and populated with test information.

WEB DEVELOPMENT

Personal CV website (miguelcorderocollar.github.io)

- Website developed using HTML, JS, CSS, Bootstrap and jQuery.
- Made to practice and refresh my web development skills.

EXTRACURRICULAR

- Certificate of Fundamentals of Digital Marketing by Google
- Group leader of Communication commission and Theater at my residence hall.
- Piano musical studies.
- Stays abroad since 8 years old (Ireland, UK and USA)
- Volunteering helping kids (2013-2014) and food collection campaigns (2010-2016)
- Participation at Global Management Challenge.

ADDITIONAL INFORMATION

- Driving license.
- My personal interests cover a wide range of areas of knowledge: philosophy, personal improvement, coding, economics, image and video editing, sociology, musical production, cooking and any topic related to science or technology.
